EDUCATION

California State Polytechnic University, Pomona

Pomona, CA

Bachelor of Science in Business Administration, Marketing Management

Expected May 2027

GPA: 3.3 | Dean's List: Fall 2025

Relevant Coursework: Principles of Marketing Management, Management Information Systems, Operations Management, Applied Business Communication, Marketing Analysis, Organizational Behavior

WORK EXPERIENCE

Shift Lead | Chick-fil-A | City of Industry, CA

May 2023 – Present

- Monitored service metrics including order accuracy, speed, and guest satisfaction to identify trends and drive team performance improvements.
- Led front-of-house operations for shifts serving 200+ guests per day, coordinating a 15+ member team to maintain speed, accuracy, and guest satisfaction.
- Identified workflow bottlenecks during high-volume shifts and implemented process adjustments that improved order accuracy and service times.
- Observed order volume patterns during national promotions and mobile app campaigns, adjusting team workflows to sustain service efficiency.
- Trained new team members, provided ongoing feedback, and developed a positive team culture aligned with brand standards.
- Managed opening and closing procedures, cash handling, and shift responsibilities to support smooth daily operations.
- Resolved guest concerns professionally and efficiently, ensuring high standards of hospitality and satisfaction.

Cashier | Chicken Now | West Covina, CA

July 2022 – January 2025

- Coordinated with third-party delivery platforms (DoorDash, UberEats, Postmates), auditing order accuracy and maintaining brand integrity across digital touchpoints.
- Identified opportunities to improve service flow and suggested layout adjustments that reduced guest wait time and improved front-of-house efficiency.
- Troubleshoot POS system and equipment issues to minimize service delays and maintain transaction accuracy.
- Built rapport with a diverse customer base through clear communication, patience, and effective resolution of language barrier challenges.
- Maintained composure and accuracy during solo shifts and high-traffic rushes in a fast-paced environment.

UNIVERSITY PROJECTS

Student Outcomes & Equity Data Analysis

Jan. 2026 – May 2026

IBM 3202 — Market Analysis & Control | Role: Data Analyst & Presenter

- Collaborated in a team to clean and analyze a CPP student dataset in RStudio, investigating whether race, gender, or major correlates with learning abilities and disabilities.
- Applied descriptive statistics, Cronbach's Alpha, and ANOVA testing to evaluate group differences and data reliability, interpreting results through p-value significance thresholds.
- Presented findings to class, translating complex statistical outputs into clear, accessible insights for a non-technical audience.

Corporate Analysis Team Project

Sep. 2025 – Dec. 2025

IBM 3012 — Principles of Marketing Management | Role: Project Lead & Editorial Reviewer

- Led a 15-week team analysis of a real corporation including SWOT, VRIO, and external/internal environment assessments using professional research databases.
- Managed project timeline and task delegation using a Gantt Chart in Trello; final written report rated 95% and presentation rated 100% based on workplace skills criteria.
- Produced a video presentation using Camtasia and collaborated virtually with a team of 5 via Zoom and Google Meet.
- Demonstrated ethical and effective use of generative AI tools (ChatGPT, Microsoft Copilot) in research and professional writing.

Socio-Economic Data Analysis & Stakeholder Advocacy

Aug. 2023 – Nov. 2023

BUS 1010 — Business Freshman Experience | Role: Researcher

- Designed and distributed a survey framework capturing data from 40 students to quantify correlations between financial insecurity and academic performance.
- Leveraged Excel and Google Forms to aggregate and analyze data, identifying service gaps in campus mental health and financial resources.
- Presented findings to the University President and Dean, influencing discussions on reallocation of financial resources and expansion of student support programs.

CERTIFICATIONS

- Google Analytics (GA4) Certification — Google (March 2026)
- Data Wrangling & Visualization — Cal Poly Pomona, College of Business Administration (May 2026)

SKILLS

Technical: Microsoft Office Suite (Word, PowerPoint, Excel), Google Workspace (Docs, Slides, Sheets, Drive), RStudio, Positron, Notion, GitHub
